Subject: Proposal for Certificate course in 'A Foundation Course in Mathematics' for the year 20.1.20.1.2.

Respected Sir,

With reference to above mentioned subject, I am submitting herewith the proposal to conduct Certificate course in A Foundation Course in Mathematics by the department of Mathematics of Our College. This course will provide a common Mathematical foundation for all students in all groups, drawing upon the full range of under graduates course in Mathematics. Hope you will consider my application and I kindly request you to sanction the same.

Syllabus

Year 2018-2019

Learning Objective : To Improve the logical thinking of students which will be useful in their future studies/placements and provide common Mathematical foundation.

Learning outcomes: Students will be able to

- *Learn logical reasoning and Mathematical reasoning.
- *Understand deeper Mathematics and the connection it has with other areas of life.
- *Solve problems faster with an easy with Mathematics .
- *Develop logical thinking.

Unit 1: ARITHMETIC

Divisibility-Square & Square root- Ratio & Proportion-Variation-Percentage – Simple and Compound interest-Time & Work : Speed and Distance –Average.

Unit 2: Algebra

Indices-Identities & Factors – Linear Equations-Algebra Equations

Unit 3: Geometry

Angles-Triangles, Pythagorus Theorem-Congruence of Triangles-Geometric Constructions-Perimeter & Area – Polygons-Circles-Similar Triangles

Unit 4: Introduction to Number Theory & Combinatorics

Number theory: Divisibility-Primes & Prime Factorisation- Euclid Algorithm

Basic Congruence Properties

Combinatorics : Addition & Multiplication Priciple –Permutations, Combinations-LCM & HCF Properties ,problems.
