Sub: TTWREIS-RDC: Communicating the Cadre strength for the academic year 2023-24 to all (22) RDCs including Special Institutions - Engaging part time Guest faculty required if any in concerned subjects-reg
Ref: Instructions of the Secretary, TTWREIS

With reference to the subject cited, Gurukulam has introduced/revise new courses in few colleges in the academic year 2023-24, accordingly the requirement of cadre strength in all the colleges is also revised.

Some of the Principals of TTWRDCs have requested the Secretary, TTWREIS to revise the cadre strength as per the workload, number of courses, strength available, work load of NSS, NCC and PG classes workload in colleges & the changed syllabus.

After careful examination, the cadre strength has been revised for the academic year 2023-24 as per the guidelines circulated earlier.

In this regard, all the Principals are instructed,

- Fill the part time guest vacancies if any by constituting a committee with
 - a) Principal of the host college
 - b) Principal of nearby Degree College
 - c) 2 Subject expert from nearby Govt college/University.
- The list of engaged part time guest faculty along with the score sheets signed by the committee members & press note issued have to be emailed to acad.ttwrdc@gmail.com for further ratification by the Secretary, TTWREIS.
- In case of any regular DL has assumed the Principal (FAC)/ Principal in charge, a part time guest faculty may be engaged to take his/ her classes for smooth functioning of the institution and the Principal (FAC)/ Principal in charge must teach any one theory paper in his/her subject.
- Disengage the part time guest faculty who does not fall within the cadre strength and they may be given priority in other TTWR colleges wherever vacancy exists in the concerned subject. If any regular DL is found surplus in any college as per the approved cadre strength / work load, the issue has to be brought to the notice of the Head office immediately.
- In case, if one part time guest faculty has to be disengaged out of two candidates in the same subject, the candidate with PhD/NET/SET should be given priority for retaining. In case, if two candidates have equal qualifications then experienced will be given priority.

- After engaging the guest part time faculty, Principal should ensure that faculty should have a min of 18 hr per week including PG coaching/Employability.
- A proper time table duly justifying the workload should be prepared as per the university norms & including the Gurukulam activities (PG coaching, Employability, clubs, etc) and followed without any deviation and the same has to be communicated to H.O through email.
- At the end of every month, the principal has to collect & verify Work done statement of the guest faculty & part time (Hourly basis) and should maintain a record for the payment of remuneration.
- Since RDCs are residential, along with the above work, the faculty has to perform the other duties such as night study duties, additional in charge duties and holiday turn duties to take care of studies & health of the students.
- Principals are responsible for engaging the guest faculty in the concerned subjects strictly justifying workload (i.e Minimum of 18 Hours per Week faculty) as per the existing norms.
- Principals are directed to submit a letter if there is any modification in the courses, strength etc (Merging / winding up of certain Groups) to revise the cadre strength.

Further all the vacancies must be filled by the end of September 2023 and Principals are directed to take necessary approvals/ratification from the H.O.
