CLEAN AND GREEN COMMITTEE

The Clean and Green Committee of our college is formed with the objective of maintaining cleanliness, hygiene, greenery, and environmental awareness in the campus. The committee encourages students and staff to actively participate in creating a healthy, eco-friendly, and pollution-free environment.

The committee regularly monitors campus cleanliness, conducts plantation programs, organizes awareness activities, and promotes proper waste management practices. It also motivates students to develop environmental responsibility and social awareness.

The committee works towards maintaining a plastic-free campus, conserving natural resources, and creating a pleasant atmosphere for academic activities. Through various programs and initiatives, the committee aims to develop a sense of responsibility among students towards environmental protection and sustainable living.

Roles and Responsibilities of the Committee

- Conduct regular inspections of the campus.
- Monitor cleanliness of classrooms, laboratories, corridors, and washrooms.
- Organize clean and green awareness programs.
- Plan and conduct plantation drives.
- Encourage students to follow eco-friendly practices.
- Supervise waste disposal and sanitation measures.
- Maintain records of activities conducted by the committee.
- Submit reports and suggestions to the Principal.

Clean and Green Committee Resolution

A Clean and Green Committee has been constituted in the college for the academic year 2025-26 to ensure cleanliness, greenery, hygiene, and environmental awareness in the campus. The committee members will actively monitor and organize various activities related to campus cleanliness, plantation, waste management, and environmental protection. The committee shall work under the guidance of the Principal for effective implementation of clean and green initiatives in the institution.
