

BRIDGE COURSE 2026-2027

The Telangana Tribal Welfare Residential Degree College for Women (TGTWRDC), Khammam conducted a **Bridge Course** for the newly admitted students for the academic year 2026–27. The programme was organized with the objective of helping students adapt to the degree-level academic environment and strengthen their foundational knowledge.

Objectives of the Bridge Course:

The major objectives of the Bridge Course were:

- To assess the existing knowledge and learning levels of newly admitted students.
- To bridge the gap between their previous education and degree-level curriculum.
- To strengthen fundamental concepts in different subjects.
- To improve students' learning skills, confidence, and academic preparedness.
- To familiarize students with the college academic environment, teaching methods, and learning resources.

Conduct of the Programme:

The Bridge Course was conducted by the faculty members of TGTWRDC (Girls), Khammam. The sessions focused on the basic concepts and essential skills required for pursuing undergraduate education. Faculty members used interactive teaching methods, discussions, examples, activities, and question-and-answer sessions to make the programme effective and student-friendly.

Special attention was given to identifying the learning gaps among students and providing appropriate guidance and support. Students actively participated in the sessions and clarified their doubts with the faculty members.

Outcome:

The Bridge Course helped students gain confidence and become familiar with the academic requirements of degree education. It provided an opportunity for students to revise their basic concepts and develop a positive attitude towards learning. The programme also helped faculty members understand the academic needs of the newly admitted students and plan their teaching accordingly.

Conclusion:

The Bridge Course conducted by **TGTWRDC (Girls), Khammam** was successful in preparing newly admitted students for their undergraduate studies. The programme provided a strong academic foundation and helped students transition smoothly into the degree-level learning environment. The active participation and positive response of the students contributed to the success of the programme.
