-Activity : National Commerce Day

Date : 05/08/2019

No. of Students participated : 39

Group : B-10M

Organizer : Mr. Sachin

About of the activity :

Every year it is celebrated on the 1<sup>st</sup> Monday of August. To celebrate workers' daily services and sacrifices.

It was designed to give commercial workers a day off. Industrial workers and manufacturers each had the day off, which made sense since those two trades depended on each other to operate, so it only made sense to have them both have the day off at the same time.

Commerce day is every first Monday of August. This year it falls on August 5. Icelanders love this holiday and look forward to it. It started as a public holiday for blue-collar workers, it quickly caught on with other workers in the country and other European nations.

### About of this activity:

Mother's day is a celebration honoring the mother of the family or individuals, as well as motherhood, maternal bonds, and the influence of mothers in society. It is celebrated on different days in many parts of the world, most commonly in the months of March or May.

While some countries have a multi-century history of a day to celebrate mothers, the modern American version of the holiday began in the United States in the early 20th century at the initiative of Anna Jarvis, who organized the first Mother's Day service of worship and celebration at Andrews Methodist Episcopal Church in Grafton, West Virginia, which serves as the International Mother's Day Shrine, which serves. It is not directly related to the many traditional celebrations of mothers and motherhood that have existed throughout the world.
