I.B.A.E, III.BA.E.PP :

Ethics and human values are the cornerstone of a just and harmonious society. Principles that guide ethical behaviour include honesty, integrity, and respect for others. A speech on this topic could emphasize the importance of empathy, compassion and the golden rule: treating others as you wish to be treated. By embracing these principles, we contribute to the creation of a world where mutual understanding and cooperation thrive, fostering a community built on shared values.
