**About the Activity** · National Education Day is celebrated on November 11 every year to mark the birth anniversary of Maulana Abul Kalam Azad, India's first education minister. This day is observed to honour the remarkable contributions of Maulana Azad in the field of education and institution building in the country.

On September 11, 2008 Ministry of Human Resource Development (MHRD) decided to celebrate November 11 as National Education Day annually. MHRD also gives the Maulana Abul Kalam Azad National Fellowship in the form of financial assistance to students from minority communities to pursue M.Phil and Ph.D.

Considering the COVID-19 pandemic, this year's theme for International Education Day is 'Recover and Revitalize Education for the COVID-19 Generation'.

At most basic level, a budget is "away to keep track of the money you are getting and the money you are spending". A Budget is a great way to make sure that you can cover your expenses from month to month.
