Certain directions are issued to the principals to conduct the said program.

- a. The program should be conducted at college level for period of (10) days from 25.10.2021.
- b. All the first year students will be divided into batches (each batch with (50) students) and accordingly timetable has to be prepared including regular academics.
- c. The Principal has to identify the Internal faculty of the college to teach arithmetic & English and identified English & Mathematics faculty of respective college has to take classes daily from 2 p.m-5 p.m or 10 am -1 pm & 2 p.m-5 p.m if more than (02) batches are formed.
- d. Each lecturer needs to teach one hour and should make the students practice worksheet in the next half an hour.(for one batch)
- e. Each Student will be given worksheets (10) in each subject for practice purpose.
- f. The faculty will have to conduct a grand test soon after completion of the program.
- g. During the study hours the students need to practice the arithmetic problems and need to improve their communication skills. Principals have to monitor the entire program and should make it a grand success.

Further each identified faculty who will take bridge course classes will be given appreciation certificate by the principals after completion of program.

**Note:** Day wise practice sheets will have to be prepared by concerned faculty at college level only.

Grand test question papers will be sent from Head office one day in advance.
