This memorandum of understanding is entered on 05.08.2019 by and between Telangana Tribal Welfare Residential Degree College for Women, Medak, established on 2017 to cater the higher educational needs of the students of under privileged and unprivileged sections of the society and to enhance their confidence

&

MEDAK DISTRICT ATHLETICS ASSOCIATION, With a track record marked by precision in planning, seamless event coordination, and a passion for cultivating talent, the Athletics Association has established itself as a model of excellence in sports administration. Its commitment to continuous improvement and innovative approaches underscores its exceptional performance, making it a key influencer in the realm of athletics development and community enrichment.

Telangana Tribal Welfare Residential Degree College For Women, Medak is here in after referred as college, Medak District Athletics Association, Medak Dist as association and both as organizations.

The Memorandum of Understanding (MOU) between the Association and the College establishes a synergistic partnership aimed at fostering a collaborative spirit in the realms of sports development and community engagement. In this agreement, the College commits to sending volunteers to support the smooth execution of the Athletics Association's sports meets. These volunteers, drawn from the student body, faculty, or staff, will contribute to the logistics, organization, and overall success of the sporting events.

In return, the Athletics Association undertakes the responsibility of providing athletics coaching for 20 students from the College annually. This coaching initiative aims to enhance the athletics skills and overall physical well-being of the selected students, creating a bridge between academic pursuits and sports excellence. The coaching may cover a range of disciplines, fostering a culture of fitness and sportsmanship within the college community.

This MOU not only outlines the specific commitments of each party but also emphasizes the symbiotic relationship between the Athletics Association and the College. By combining resources and expertise, both entities contribute to the holistic development of students and promote a thriving sports culture within the academic institution. This collaboration exemplifies a shared commitment to nurturing talent, community involvement, and the overall well-rounded growth of individuals within the college setting.

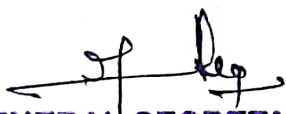

Furthermore, the MOU specifies that the selection of students for athletics coaching is based on their performance in a rigorous "battle test." This test evaluates not only their physical fitness but also their dedication, discipline, and passion for athletics. The Association and the College jointly administer this test, ensuring a fair and transparent selection process.

#### CONFIDENTIALITY:

The organizations have agreed to keep confidential any information or data labeled as confidential by the association and college. This includes information obtained from either organization or created during the execution of the Memorandum of Understanding (MOU). They will not share this information with any third party without the written consent of the other organization involved.

#### ENTRY INTO EFFECT & TERMINATION:

1. This MOU will come into effect on date of signature.
2. This MOU will remain in effect for an initial period of five (05) years and will be extended for successive periods of one(1) year, unless either side notifies the other side, in writing, of its intention to terminate this MOU at least three(3) months before the expiry date of the relevant period.
