

DEPARTMENT OF BOTANY

Success story

Our students K.Naveen kumar (BZC-II), Sai kumar (BZC-III) have won first place in the district level quiz programme in Botany, conducted at BRR Govt Degree college at Jadcherla.

Field trip

Students and staff visited Telangana Botanical Garden on August-7-2021, with our BZC-III students. This short visit has helped students connect to the classroom concepts and encouraged them to bring awareness regarding the important medicinal plants and diversity of flora present in the local surroundings.
