Telangana Tribal Welfare Residential Degree College for Men, Nagarkurnool, currently located at Jadcherla is running in a private building.

Principal : Mr. K.P. Nireekshana rao, M.A., B.Ed.

Contact Number : 8074582331

Introduction:

As per the circular instructions received from Gurukulam, a committee is formed at college level to foresee the activities day wise and to report the same. The committee comprises of –

1. Principal
2. Vice – Principal
3. Physical Director
4. Senior DL
5. Senior DL

Plan of Action:

Pre Preparation (01-09-2022 to 03-09-2022)

- A meeting with all the faculty, Teaching & Non Teaching, is held on 3rd of August and action plan for the Swachh Gurukul week is planned day-wise, giving in-charges for each day.
- All the Required materials to implement the swachh gurukul week are purchased
- All the students present in the college are made aware of the week long activities day-wise and are instructed to be prepared.
- Posters and flexis are designed and are printed.

Poster opening by Sarpanch, Mr. V. Ravinder Reddy garu, Macharam, Jadcherla

Day 1 (05-09-2022)

Incharges: 1. Mrs. P. Padma, DL in Computer Science

2. Mr. K Shiva Kumar, lab Assistant

● Opening pledge:

The day began by taking the oath of swachtha in the assembly which says –

“I take pledge to keep myself and my surroundings clean. To fulfill this I will dedicate 7 days in this month, 2 hours a day for clean and green drive in my residential school. I will participate in this clean and green drive voluntarily and enthusiastically. I will encourage my friends and will ensure that my school is neat and tidy. I am willing to work as a team heart fully to achieve this goal.”

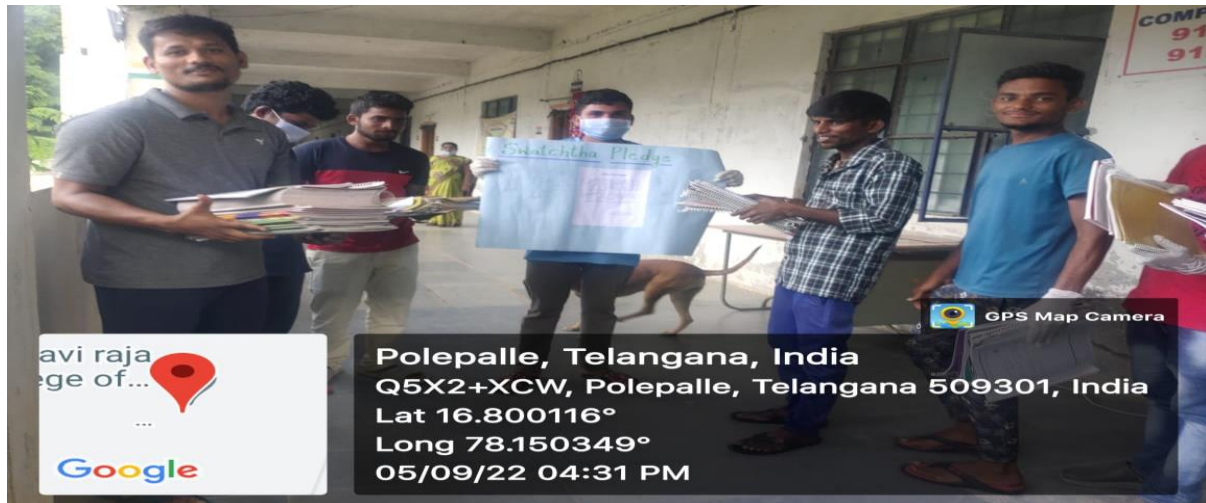

A wall poster is made with the pledge and signatures of students, faculty and parents are taken as an undertaking.

Students in Assembly taking the oath of swachtha

● Collecting the waste like paper, plastic, clothes, e waste etc :

Not less than a month ago, the institute has collected all the discarded waste paper materials and weighed them to be sold as per the norms of the Gurukulam, again as part of the Swachh Gurukul drive, discarded waste booklets of recently passed out students are collected from the classrooms/dormitories/laboratories and are kept in a room to be discarded as per the norms.

Old notebooks and materials left off by the passed out batches being removed

● Removal of old furniture like iron racks, broken tables, unused equipment etc:

The day ended with students identifying and removing the damaged materials from classrooms, dormitories, library, Laboratories, office room and all the material are kept in a room to be discarded or repair as per the damage detail of the material. This has given much space in the respective rooms.

Damaged chairs which cannot be repaired are separated !

Day 2 (06-09-2022)

Incharges: 1. All housemasters

2. Ms. P. Rani, DL in Physics

3. Mr. Srihari, Electrician cum Office Subordinate

● Cleaning the dormitories and class rooms with disinfectants

Students are distributed with required material to clean their respective dormitories and classrooms. The House Masters are instructed to monitor the same. By the end of the day all classrooms are clean and tidy.

● Fixing the tube lights and fans in the dormitory

Electrician Cum Office Subordinate, Mr. Srihari, along with the help of other attendars, inspected all the electrical fixing in the building and repaired few loose connections. Since Mr. Srihari is an inhouse electrician, there weren't many repairs in the building.

Electrician checking for loose connections
