A 40 hour online workshop

1st - 12th
February 2021.

*Certificate will be provided to all the active participants

ABOUT IIITDM KURNOOL

Indian Institute of Information Technology, Design and Manufacturing (IIITDM), Kurnool is the youngest among the five centrally funded IIITs and was established as part of 'Andhra Pradesh Reorganization Act' in the academic year 2015-16. It has been recognized as an 'Institution of National Importance' by an act of the Parliament in the year 2017. The campus of IIITDM Kurnool is located away from the bustling life of the metropolis in the scenic Mineral-rich mountain trails of the Rayalaseema region in Andhra Pradesh.

The Institute offers an eco-friendly environment to nurture a peaceful state of mind, positively influencing research and other education-related activities. IIITDM, Kurnool focuses on imparting quality technical education, thereby providing scope for 'higher learning' across disciplines through a holistic approach.

ABOUT THE FDP

The FDP titled 'Understanding the nuances of Education and Research' is designed keeping in mind the Faculty members and Research Scholars associated with Higher Education in India. This FDP will enable the faculty members to understand the NEP – 2020 and its implications for Higher Education. The 40 hour FDP will cover a variety of topics that fall under the larger umbrella term 'Education'. The prime focus of this FDP will be on upskilling the teaching fraternity in various aspects such as ICT, flipped classroom strategy, critical thinking skills and English for Specific Purposes (ESP), in addition to other aspects related to the teaching-learning process and shifting towards realizing the goal of holistic education. Research plays an undeniably important role in the career of a teacher, especially in higher education. Therefore, teachers need to stay abreast of the current trends in research. This workshop provides an opportunity for the participants to upgrade themselves in the current trends of research.

COURSE CONTENTS

- A shift towards Learner-centric Education
- Holistic Education
- Understanding English Language Communication
- English Language Proficiency
- Online Assessment
- Tasks for Effective Online Assessment
- Integration of Critical Thinking Skills in Classroom
- English for Specific Purposes (ESP)
- Academic Reading
- Academic Writing
- Academic Research
- Understanding 'COPE' – Publications
- NEP – 2020: Implications for Higher Education
- Open Educational Resources (OER)
