

Departmental meeting

14/08/2023

Chemistry Department meeting was held on 14/08/2023 under the chairmanship of Principal at 4:30pm and the following points were discussed in this meeting

* Preparation of semester plan.

* Preparation of new time table

* Action plan for Independence Day celebrations.

* Assignments.

* Steps taken for slow learners.

Minutes of meeting with Academic Audit team

11

As per the instructions from Head office we have approached the College GDC Uthor for conducting an academic audit for which they have complied and have visited our institution on 26/09/2023.

The team of 4 consisting
 Mucha Sunny - Principal
 Ravi Kiran - Vice Principal / IQAC coordinator
 Ch. Rajashekher - Faculty in Commerce
 Dr. Shanker -

have visited the institution and have visited the documents and registers and suggested as the following for the SSR to be prepared by the institution for appearing for NAAC.

- Suggested us to upload the documentation in the college website than in the container mails.
- To upload the website continuously of the changes being made in the institution.
- Graphical representation of the data file admissions, out comes, results
- Flexis to be made for all the departments with the specificities of extension lectures and (and) the special things being done in the name of department.

→ To mention the student-teacher ratio, student-computer ratio and student-lab ratio in the documents.
 → To maintain an anti register to have a record of students who are making the use of library everyday.

→ To maintain digital library with atleast 4 systems in the library reading room.

→ To display the departmental charts in the laboratory and the equipments that are available for the student disposal.

→ To have atleast 3 students in the committees like examination, branch, IQAC.

→ To purchase more number of Journals at students disposal.

→ To maintain all the PG and employment allotment orders with the concerned departments.

→ To maintain the waste water harvesting and to have greening in the surroundings.

→ To maintain budget audit report along with the CA report.

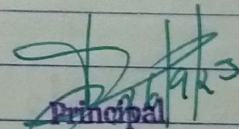

→ To have a look at the SSR of Gafwel and Siddipet to be a reference as they are the best SSR's till now.

→ To elaborate each and every criterion to about 500 words each.

→ To envision the institution 4 years later and to fill the SSR accordingly.

→ To Publish more number of Research papers from both students and faculty.

Departmental meeting

20/11/2023

Chemistry Department meeting held

On 20/11/2023.

About the students and syllabus completion we department members of discussed about following points

1) About completion of syllabus

2) Easy way of explanation.

3) Action plan for the students to get more marks in upcoming semester examination.

Dept of chemistry.

Departmental meeting

15

08/12/2023

Chemistry Departmental meeting held on 08/12/2023.

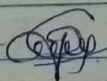

In the meeting following issues and some methods discussed.

1) Discussed about the internal examinations & syllabus

2) Discussed about the practical examinations and conducting practicals.

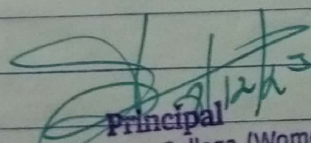

3) Decided to give motivation for the students for coming semester examinations.

Departmental Meeting

05/01/2024

Department of chemistry held a meeting on 25/01/2024 discussed about the following issues in this meeting

* How to encourage the students regarding the new Semester preparation

* Discussed about the syllabus in this semester.

* How to follow different new teaching techniques in the following semester

* Discussed various chapters, methods, strategies in this semester.

Departmental meeting

17

27/02/2024

Departmental meeting held on 27/02/2024 with Chemistry Department members.

The following points are discussed in this meeting.

* About the completion of syllabus in this month

* Discussed about various different new innovations in science.

* Also discussed about science day planning

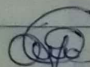

* Discussed about the science day programmes

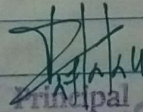

* Prepared Questions for Quiz competition for the science day.

Departmental meeting

14/03/2024

14/03/2024

Departmental meeting is held on 14/03/2024.
with the All the chemistry members:

The following points are discussed in
this meeting

* Discussed about the syllabus completion.

* Discussed about the completion of NAAC
subject registers

* Discussed about the new different
subject activities which are useful
to our students.

* Discussed about different new methods
to get better understanding of students.

(HOD)

Dr. S. Saralatha

Departmental Meeting

19
1/04/2024

Departmental meeting is held on 04/2024 with the chemistry faculty members.

The following points are discussed in this meeting.

- * Discussed about the syllabus completion.
- * Discussed about the below average students to get more marks in the upcoming examinations.
- * Discussed about the different strategies to get more grades and 100% Result in the coming examinations.
- * Important questions revision during the free time.
