

## Departmental Meeting

45

25/09/2024

Physics departmental meeting was held on 25/09/2024 under the supervision of Principal Madam.

The following points are discussed.

⇒ Discussed about Admission status of first year students and their educational Performance.

⇒ Principal madam instructed to conduct Seminars and Quizz, Physics department activities for week.

⇒ Discussed about the Practical syllabus, Assignments and Project work.

⇒ Discussed about the attendance status of students.

⇒ Principal madam instructed to conduct the daily slip Test and Remedial Teaching for future learners.

⇒ Discussed about the P.G Coaching classes and its weekly Test.

⇒ Discussed about annual Result of students

⇒ Discussed about NAAC accreditation  
Grade B++

⇒ Discussed about the how to get better  
grade for next academic year.

⇒ Focusing on backlog students to get  
good result.

⇒ Instructed to students to make working  
models of physics department.

## Departmental Meeting

47

26/10/2024

Physics departmental Meeting was conducted on 26-10-2024 under the supervision of Principal madam.

- ⇒ Discussed about their health condition
- ⇒ Discussed about Annual examinations and how to Prepare the exams to get Pass and good Marks
- ⇒ Discussed about conduction physics practicals weekly twice.
- ⇒ Discussed about internal exams, Assignments and Project work.
- ⇒ Principal madam suggested to improve shortcut, easy methods to easily understand the Answers to get good result
- ⇒ Discussed about Extension Lecturer and field trips [visited TIFR @ Hyd]

Departmental Meeting 12/11/2024

Physics departmental Meeting was held on 12-11-2024 under the supervision of Principal Madam.

The following points are discussed

- ⇒ Discussed about Examination Schedule
- ⇒ Principal ma'am instructed to focus on slow learners to get 100% result
- ⇒ Separating the students as above average, average and below average and giving impositions to them
- ⇒ Discussed about most important and repeated Questions & Previous year exam papers chapter wise to get Pass
- ⇒ Discussed about the Study hours and their Preparation.
- ⇒ Making the schedule chapterwise to conduct daily Slip Test upto Annual exams

## Departmental meeting 28/12/2024

physics departmental meeting was held on 28/12/2024 under the supervision of principal madam.

- The following points are discussed.
- Discussed about the students preparation for sem exams.
- Discussed about the attendance status of the students.
- Discussed about the steps to be taken for the slow learners.
- Discussed about the collection of previous year question papers.
- principal suggested, to explain the important answers to the student once again.
- Discussed about the getting of 100% result in physics subject.
- Discussed about the night study hours and slip tests.

## Departmental meeting 25/01/2025

The physics departmental meeting was conducted on 25/01/2025 under the supervision of principal madam.

- The following points were discussed.
- Discussed about the teaching plans for theory and practical for sem II, IV, and VI sem
- Discussed about the attendance status of the students
- Discussed about the conducting certificate course and also about the extension activities
- Discussed about the requirement of physics reference books for students
- planning for conducting P.G coaching for the third and second year students
- Discussed about the action plan for the conducting remedial classes for the slow learners
- Discussed about the utilization of labs for practical.
- Discussed about the usage of ICT tools for teaching learning process.

## Departmental meeting 25/02/2025

The physics departmental meeting was conducted on 25/02/2025 under the supervision of principal madam.

The following points were discussed.

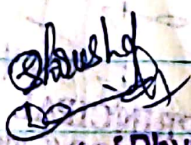

- Discussed about the attendance status of the students.
- Discussed about the coverage syllabus.
- Discussed about the remedial classes.
- principal madam instructed to focus on slow learners to get 100% result.
- Discussed about the conducting slip test for the students.
- Discussed about the methods followed for the teaching - learning process.
- Discussed about the conducting seminars and conducting extension classes for the student.
- Discussed about the student preparation for p-6 classes.
- Discussed about the celebrations of National science Day.

## Departmental meeting 26/03/25

The physics departmental meeting was conducted on 26/03/2025 under the supervision of Principal madam.

- The following points were discussed.
- Discussed about the coverage of syllabus.
- Discussed about the health condition of the students and discussed about their attendance status.
- status of conducting seminars, remedial classes, quiz activities and PG coaching.
- principal madam instructed to include innovative teaching process in order to make teaching learning more effectively.
- Discussed about the steps to be taken for the backlog students.
- Discussed about results of II, III, IV and V sem.
- Discussed about the steps to be taken for the failure students in I, III and V sem.
- Discussed about the no. of students written CUET exam in physics subject.

## Departmental meeting

15/04/2025

physics departmental meeting was conducted on 15/04/2025 under the supervision of principal madam.

- ⇒ The following points were discussed.
- Discussed about the status of coverage of syllabus.
- Discussed about the conducting internal exams.
- Discussed about the project work and assignment given to the students which can help the students to improve their research writings and good handwriting etc.
- Discussed about the II, IV and VI sem examination schedule.
- Discussed about the collection of previous year question papers.
- Principal mam directed to conduct the slip tests to the students regularly.
- Principal mam instructed to explain the important topic once again to the students.
- Discussed about the steps to be taken to get 100% pass percentage in physics subject.
