

Science Day Activity Quiz

1
28/02/2020

On the occasion of science day 28/02/2020
our Pco sir K. Lakshminath sir conducted
Regional level Quiz.

* In this Regional level Quiz three colleges
were participated, T.T.W.R.C. Uttoor, T.T.W.R.C.
Adilabad, T.T.W.R.C. Adilabad.

* In this Regional level Quiz uttoor college
won the first prize.

* Also I delivered lecture on importance of science
and Technology in our lives.

2020-21

Activities:

- Conducted group discussions in the class.
- Prepared the formulas & elements chart with students.
- Gave some problems related to thermodynamics.
- Next day we discussed that problems.

→ Conducted seminars to students.

BZC - I year.

Name	Topic
Vaishali	Chemical bonding
Sanjanya R.	MOEP diagrams

BZC - II year

Name	Topic
Rameshwar T.	Thermodynamics - I
Laxmi T.	Problems related to thermodynamics

Activities:-

- * Conducted group wise quiz on basic chemistry topics.
- * Prepared formula chart for easy understanding of the elements.
- * Conducted seminars to students.
- * Discussed about some logical questions in the classroom which are related to chemistry.

BZC-I

- ▶ K. Sathwika - s-block elements
- ▶ K. Shriha - p-block elements
- ▶ K. Saibinduram - d-block elements

BZC-II

- ▶ A. Chithamoni - Chemical Kinetics
- ▶ A. Anjali - Problems on Chemical Kinetics
- ▶ B. Vennela Naik - First order reaction

02/12/2022

On Dec 2, 2022. we conducted science fair on pollution control for our college level on the occasion of National pollution day.

- * We prepared models on pollution control.
- * And also we prepared globe model for demonstration.
- * Given lecture on pollution control techniques and also given assignments.
- * We took a pledge on the day of National pollution day Dec 2 for conservation of Nature.
- * Drawing competition also held.

Artificial photo synthesis. By Anjaiah. Boli Gorla.
(Dye sensitized Solar cells)

NIT Warangal

- * Conducted webinars for our students by the Ph.D. scholar Dr. Anjaiah Boli Gorla NIT Warangal on Dye sensitized solar cells (Artificial photo synthesis)
- * On that webinar so many other colleges lecturers and students were also participated.
- * Lecturers asked doubts related to the work and every one gain good knowledge related to Artificial photo synthesis.
- * Organiser of this programme is me i.e., N. Gangamani. DL in Chemistry along with the Convener. B. Haritha. Principal FAC.

National Chemistry Day. 22-10-2021

On the occasion of National Chemistry Day i.e on 22-10-2021 we the Department of Chemistry conducted an essay writing on the importance of Chemistry in our everyday life.

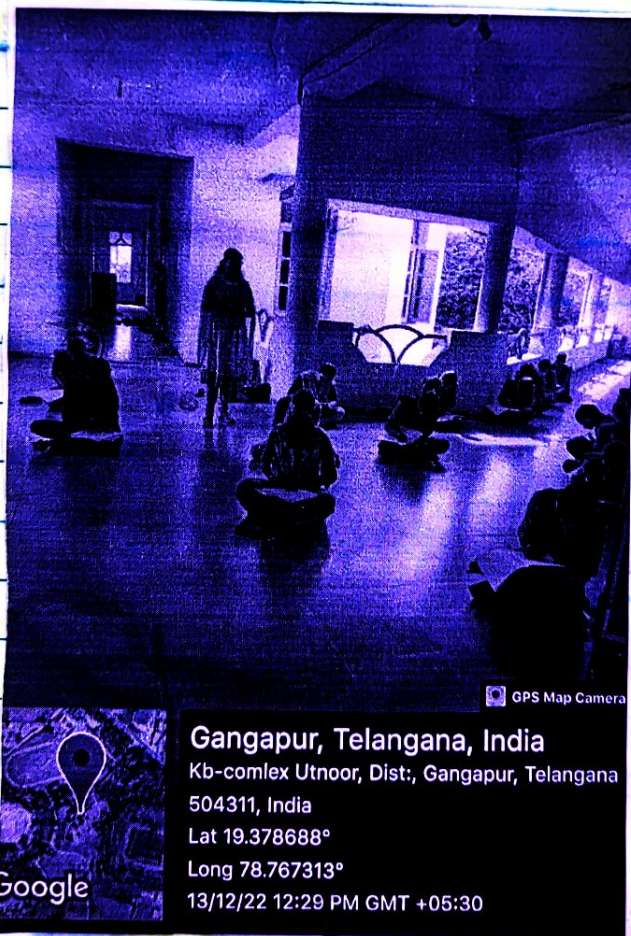

* So many BZC students were participated in the essay writing on the occasion of National Chemistry Day.
* Planted trees on the occasion of National Chemistry Day.

13/12/2022

Activity:-

- * Conducted exam on the chemistry topics.
- * Every students of BZC were participated in the Examination
- * Asked them to write their importance area of chemistry which they are interested.
- * Conducted by the department of chemistry
- * And also some students given lecture/seminar on the topics related to chemistry.

Science Day celebrations.

28/02/2024

Science Day celebrated on 28/02/2024
in the honour of Sir C.V. Raman.

- * On this day, we conducted seminar and Quiz competition
- * five Groups participated. And Every Group consist of All the group/stream students.
- * Quiz conducted in 2 levels.
- * Every Group Named with a special name like Einstein, Galileo, C.V. Raman Anybatta, Aristotle.
- * In this competition Einstein group won the first prize and Aristotle won second prize.
